Personality

Personality Traits	Ideals
Perpetually alert. Sits with her back to walls. Knows three exits from any room within thirty seconds of entering it.	I did not choose this blood. I am not going to be ashamed of it.
Bonds	Flaws
If the Orders had helped me instead of studied me, I might still be with them.	She is getting tired of running, and that tiredness is starting to make her take risks she would not have taken two years ago.

Languages & Proficiencies

Languages: Common, Draconic (never chose to learn it -- began dreaming in it at age 17)

Tool Proficiencies: Disguise Kit, Forgery Kit

Distinguishing Features: Deliberately unremarkable in appearance. Dresses as a traveling merchant or minor functionary. The draconic nature of her blood becomes faintly visible under stress -- a faint iridescent quality to her skin in certain light.

Backstory

Sela Duskborn is twenty-three years old, a Draconic Bloodline sorcerer, and currently the subject of both a

White Robe licensing compliance warrant and a Black Robe regulatory enforcement warrant issued simultaneously -- an administrative dispute about jurisdiction the Conclave has not yet resolved. She discovered her draconic blood at sixteen, reported it as trained, and was rewarded with years of surveillance and investigation into her bloodline's theoretical connection to Maygus ideology. She left after three years. She has been evading Order oversight for four years. She is getting tired of it.
