

Morvaine

Deity

Domain: Any

Pantheon: Court of Shadows

Alignment: N

Symbol: A scythe over an open grave

Worshippers

Death, death rites, absolute opposition to undeath

Wife of Tethran. Goddess of death and an unwavering foe to undeath in all its forms. Morvaine teaches nothing about the afterlife -- her followers adopt whatever afterlife beliefs their culture holds. The one absolute is their vehement hatred of undead. Conduct: Officiate the death rites of one's native culture. Oppose undeath absolutely. Any undead creature must be laid to final rest if at all possible.
