Mad prophecy, visions, insane wisdom

Orvantus may be more insane than Mazrath, but no one can be certain. He long ago hid himself away. His priesthood is a loose affiliation of mad visionaries who occasionally receive visits from servitor spirits claiming to be his messengers. Conduct: None. As crazed hermits who spew prophecy and bizarre scripture, followers of Orvantus cannot maintain any particular conduct. \\*Priests of Orvantus do not choose their Domain. They have many visions, some legitimately prophetic, and gain the Lucky feat as a bonus feat at 1st level. They may select the Lucky feat again when they have the opportunity to choose a feat, gaining additional Luck Points each time.
