Worshippers

Research, invention, expanding what is known

Patron god of gnomes. The Keeper of the Celestial Record -- the ever-growing book of all that exists. His followers are researchers, inventors, and explorers of knowledge in all forms. Conduct: Always push the boundaries of what is known and what can be done. Do not merely collect existing knowledge -- create new knowledge. *Priests of Quorath do not choose their Domain and automatically receive Knowledge. They do gain two additional languages from the Blessings of Knowledge class feature.
