

Solgarde

Deity

Domain: Light, Life, War

Pantheon: Court of Light

Alignment: LG

Symbol: A golden sun

Worshippers

The sun, nobility, leadership, justice, humanity

King of the Gods. Solgarde created Kyrell from the corpse of Halina and fashioned humans in his own image. He is the greatest warrior in the pantheon -- his position as King is enforced not only by divine hierarchy but by the fact that virtually no other god wants to fight him. Patron to nobles and rulers who rule justly. Conduct: Followers respect rightful nobility, are disdainful of criminals and tyrants, and are just in all things.
