

Vorathem

Deity

Domain: Knowledge, War, Light

Pantheon: Court of Light

Alignment: LG

Symbol: A hammer and anvil

Worshippers

Craftsmen, dwarves, honest labor, the forge

The greatest of the Master Smiths, and brother of Lunara. Vorathem forged the bodies of the five Spirit Dragons from gold, silver, copper, brass, and bronze. Patron of dwarves and all who work with their hands to make things that endure. Conduct: Followers must practice some form of craftwork of their own, defend craftsmen and honest laborers, and (for non-dwarves) maintain friendship toward dwarves.
