

# The Present Age Begins

*Historical Event · Fall of Weohstannuk Empire*

**Date:** 2000 FW

## Summary

---

The Weohstannuk Empire has fallen. Caernguard survives, greatly diminished. The Orders of Wizardry remain the dominant arcane power. The Blue Knights hold the Blue Vale. The Nexus stands unexplained at the heart of the continent. A second dark age is ongoing in some form, though civilization persists — and in places, even flourishes. Something is stirring.
